| GREETING

Thank you very much for your continued great support.

We are truly obliged for you visiting our website.

Our company has enlarged mainly around Asia as a freight forwarder earlier than the others and it has been thankfully over 40 years since established in 1974.

Today, we are offering international multimodal transport service as maximizing logistic functions on land/sea/air to quickly meet customers' diversified international logistics, as a member of WCA group which has agents network in 6,000 regions among 187 countries.

The needs on logistics have been increasingly sophisticated and complicated due to World Economy revolving on a daily basis and the creation of new transportation phase being required. We are developing the further expansion of network abroad which we have cultivated so far to properly offer new logistics needs in the cause of customers' best partner as a bridge connecting business scene of our precious customers.

We thank you for your continuous support.

President & CEO
Toru Inoue
